HEAVY PROFITS TAKING IN STEEL STOCKS.

Railroads, Especially Penna. Van, Well Bought—Held in Tobacco—Decline in Rubber.

NEW YORK, Feb. 14.—The London market at the close today showed strength in American stocks and silver.

At the close of the day the market was strong, with a few exceptions. The steel stocks were particularly active, and the market was generally buoyant.

Although probably 25 per cent of the business transactions in the New York market were in foreign exchange, the market continued to show strength.

There was some profit taking in the steel stocks, but the market was generally buoyant. The steel stocks were particularly active, and the market was generally buoyant.
